Dear Parents, Students & Community Stakeholders:

This letter shall serve as notice that Yarbrough School District intends to choose the ACT as our College & Career Readiness Assessment (CCRA) selection for the 19-20 school year. This means that we will administer the ACT to all 11th grade students during the Oklahoma School Testing Program (OSTP) window in the spring. We believe this selection will benefit our students in that the results may be used for college entrance requirements. We also believe that it will be a good measure of our students' academic achievement. We do not believe that this selection will have any effect on the district's instructional programming. The instructional programming of the district is driven by the Oklahoma Academic Standards.

In compliance with Section 1111(b)(2)(H) of ESSA, Yarbrough would like to provide community stakeholders with an opportunity to provide meaningful input regarding our district's intent to choose the ACT as our CCRA selection. This can be done through the following survey link.

If you have any questions regarding the OSTP or our district's CCRA selection, please call or come by the school office.

Thank you,

Mr. Wiggins
